

PERMISSION FOR USE OF SAVED IMAGES

During the course of the swimming year, images of swimmers involved in club nights, competitive swimming and social events may be recorded. These images may be used for a variety of purposes including publishing in the public forum via, newsletters, Swimming WA publications, websites and possibly even local, state and national media.

Parental permission is required for your child’s image to be used in this way.

Please complete the following permission note indicating your requirements for use of student images.

I give permission for saved images of my child
to be used for publication for promotional or public relation purposes.
